- Prices ease again (-0.17%), signaling consolidation rather than a break in the long-term uptrend.
- 18,575 sales in December, the strongest December on record, closing a year of near-continuous volume highs.
- New supply accelerates sharply, with 167K+ units launched in 2025—equivalent to a new project every 13.5 hours.
- Mortgage activity softens (-19.8%), driven by transaction mix as apartment sales ease while villa demand remains steady.

## TESTIMONIALS

# 1

Within 24 hours I had viewed, selected and contracted a villa which was perfect. They even helped me over WhatsApp complete my ejari and Dewa whilst I was away. For someone new to the country this was a life saver. Could not thank them enough. If I could give 6 stars I would!

# 3

I highly recommend working with Anuj. He works smart, is efficient and is very responsive. His biggest trait is that he focuses on building a relationship rather than just closing a deal. A true professional who executed the entire deal smooth and stress-free.
